13 The Commission may express an opinion concerning the HTS classification of a product to facilitate the Committee's consideration of the bill, but the Commission also notes that, by law, the U.S. Customs Service is the only agency authorized to issue a binding ruling on this question.

: H.R. 2480; 106 Congress - United States International

GAO discussed proposed legislation that would restructure the Department of Energy's (DOE) uranium enrichment program as a government corporation. GAO noted that: (1) it supported restructuring the program as a government corporation and establishing a decommissioning fund; (2) such legislation should include a specific goal to recover past government costs associated with the program; (3) the ...
