Time travel is the concept of movement between certain points in time, analogous to movement between different points in space by an object or a person, typically using a hypothetical device known as a time

machine. Time travel is a widely-recognized concept in philosophy and fiction. The idea of a time machine was popularized by H. G. Wells' 1895 novel *The Time Machine*.

We highly encourage active duty military members to buy a military discount airline ticket through MilitaryTravel.com. Unfortunately, if you cannot catch a Military Hop for some reason then you will be stuck buying an airline ticket at the last moment which is the most expensive way to travel as well as the least assured since commercial airlines can also overbook flights.
