

hungry fox and the pdf

Etymology. The word fox comes from Old English, which derived from Proto-Germanic *fuhsaz. This in turn derives from Proto-Indo-European *puá,±-, meaning "thick-haired; tail". Male foxes are known as dogs, tods or reynards, females as vixens, and young as cubs, pups, or kits, though the latter name is not to be confused with a distinct species called kit foxes.

When you're standing on the outdoor platform of our Polar Rover, the chill Arctic air feels invigorating. But even more thrilling is the sight of a huge polar bear that wanders up alongside. Safely elevated above him, you're nonetheless just feet away as you peer down at his shaggy, cream-colored bulk.
