The IC3 Global Standard 3 Certification is comprised of three individual examinations: Computing Fundamentals, Key Applications, and Living Online. The Computing Fundamentals examination covers a foundational understanding of computer hardware, software,

### **COMPUTING FUNDAMENTALS - Certiport**

A computer network, or data network, is a digital telecommunications network which allows nodes to share resources. In computer networks, computing devices exchange data with each other using connections between nodes. These data links are established over cable media such as wires or optic cables, or wireless media such as WiFi. Network computer devices that originate, route and terminate the ...
