The ultimate growing system: The EarthBox® gardening system! A great value – you name it, you can grow it! Poor soil conditions and small backyards are no match for this patented container gardening system.

EarthBox® | Successful Container Gardening Systems

the indoor garden. Follow directions given above for preparing pots and for watering, fertilizing, etc. However, note that plants will dry out less quickly indoors and will also grow more slowly, needing less fertilizer. To make watering easy it is wise to set the pots in large trays with an inch or two of decorative stones in them.
