DEVELOPMENT. 1 Our focus is to teach the game and skills needed to play at a higher level. Our classroom is built around a "game time" environment, putting our players in real situations to help them reach their full potential, find out their limitations and give them an opportunity to think "the game" on their own.

Mentorship is a relationship in which a more experienced or more knowledgeable person helps to guide a less experienced or less knowledgeable person. The mentor may be older or younger than the person being mentored, but he or she must have a certain area of expertise. It is a learning and development partnership between someone with vast experience and someone who wants to learn.
