convention on combating bribery of foreign public officials in international business transactions and related documents

CONVENTION ON COMBATING BRIBERY OF FOREIGN PUBLIC

The OECD Anti-Bribery Convention establishes legally binding standards to criminalise bribery of foreign public officials in international business transactions and provides for a host of related measures that make this effective. It is the first and only international anti-corruption instrument ...

OECD Convention on Combating Bribery of Foreign Public

Today, business is acknowledged to be international and there is a general expectation that this will continue for the foreseeable future. International business may be defined simply as business transactions that take place across national borders. This broad definition includes the very small firm ...
