Research Handbook on International Human Rights Law

International law up to 1945. International law relating to aerial bombardment before and during World War II rests on the treaties of 1864, 1899, and 1907, which constituted the definition of most of the laws of war at that time – which, despite repeated diplomatic attempts, was not updated in the immediate run up to World War II.

1. Early Developments. 3 The origins of war crimes can be found in the traditional laws of war, today called international humanitarian law; these laws regulate the conduct of armed conflicts whose rules were derived from international conventions and customary international law. The evolution of war crimes is part of the progressive development and codification of international humanitarian ...
