

### **interview an ethnographic approach pdf**

Ethnography (from Greek *ἔθνος*, *ethnos* "folk, people, nation" and *γράφω*, *grapho* "I write") is the systematic study of people and cultures. It is designed to explore cultural phenomena where the researcher observes society from the point of view of the subject of the study. An ethnography is a means to represent graphically and in writing the culture of a group.

Introduction . There are several different types of interview. Types of Interviews. Structured interview. A structured (or standardised) interview is one in which every effort is made to exclude procedural reactivity by asking every subject exactly the same question in the same way and in the same order.

A toolbox for analysing political texts. Discourse analysis is a useful tool for studying the political meanings that inform written and spoken text. In other posts, I have provided a quick video introduction to the topic, and have discussed the ideas behind discourse theory, the main questions that students and researchers will likely ask as they set up their discourse analysis project, and ...
