Punk subculture includes a diverse array of ideologies, fashion, and other forms of expression, visual art, dance, literature and film. It is largely characterised by anti-establishment views and the promotion of individual freedom, and is centred on a loud, aggressive genre of rock music called punk rock. Its adherents are referred to as "punks", also spelled “œpunx” in the modern day.

Meet your new favourite piece of hardware. In the two years since we launched the current Raspberry Pi Model B, we've often talked about our intention to do one more hardware revision to incorporate the numerous small improvements people have been asking for. This isn't a Raspberry Pi 2, but rather the final evolution of the original [!]
