Robert Louis Stevenson was born into a family that expected him to continue the family profession of civil engineering. While he attended Edinburgh University to study engineering, a series of illnesses and general frailty prevented him from becoming either an engineer or pursuing his second choice, law.

The culture of Mexico reflects the country's complex history and is the result of the gradual blending of native culture (particularly Mesoamerican) with Spanish culture and other immigrant cultures.. First inhabited more than 10,000 years ago, the cultures that developed in Mexico became one of the cradles of civilization. During the 300-year rule by the Spanish, Mexico became a crossroad for ...
