The caste system in India is the paradigmatic ethnographic example of caste. It has origins in ancient India, and was transformed by various ruling elites in medieval, early-modern, and modern India, especially the Mughal Empire and the British Raj. It is today the basis of educational and job reservations in India. It consists of two different concepts, varna and jati, which may be regarded as ...

Even a short section of consecutive text pages from the Hamzanama shows little unity in persons and places. The longest, readily available sequence of Hamzanama text pages is pages 20-27 in volume 11. [76] Table 1 shows for each of these pages the number of places where an action occurs, and the number of distinctively named characters who are the subjects of action.
