the fear and disorientation that follow are harnessed for radical social and economic re-engineering. Each new shock is midwife to a new course of economic shock therapy. The end result is the same kind of unapologetic partition between the included and the excluded, the protected and the damned, that is on display in Baghdad.

The Rise (and Fall) of the Populist Party
The Populist Party was the popular name of the People's Party. The rise of the Populist Party was the culmination of two decades of suffering among farmers of the South and West. The Populists supported policies to relieve the hardships of farmers and had an important impact on the politics of the 1890s.
