The Moon Penguins are a group of anthropomorphic penguins who help DJ Grooves with his movies. They possess abilities that are unusual for penguins, including being able to hover for short periods of time,

and being able to snap, despite not having any fingers.

In *Killers of the Flower Moon*, David Grann revisits a shocking series of crimes in which dozens of people were murdered in cold blood. Based on years of research and startling new evidence, the book is a masterpiece of narrative nonfiction, as each step in the investigation reveals a series of sinister secrets and reversals.
