A taxicab, also known as a taxi or a cab, is a type of vehicle for hire with a driver, used by a single passenger
or small group of passengers, often for a non-shared ride. A taxicab conveys passengers between locations
of their choice. This differs from other modes of public transport where the pick-up and drop-off locations are
determined by the service provider, not by the passenger ...

ii Preface The purpose of the Student Success Guide: Study Skills book is to provide a systematic approach
to learning the skills needed by every successful student: skills such as vocabulary building, time
management, listening and concentration, reading and studying textbooks, taking

Student Success Guide Study Skills - The Skeptic's Dictionary

7 Foreword Computer forensics is a relatively new field, and over the years it has been called many things:
"computer forensics," "digital forensics," and "media analysis" to name a few.
