62 More Than a Native Speaker One of my strongest memories from my early years of teaching has to do with the never-ending search for lessons (e.g., activities, games) that "worked." For all but the most self-confident volunteer teachers (VTs), the overwhelming priority during the first few months of teaching is getting

The inclusion of sex and nudity in video games has been a controversial topic since the early days of the industry. While many video games have used scantily clad images or characters to sell or enhance games,

some go further, using sex acts or nudity as a character motivation, in-game reward, or simply as a gameplay element. These games originate worldwide, on most platforms and can be of any ...

Video game hardware failures. A commercial failure for a video game hardware platform is generally defined as a system that either fails to become adopted by a significant portion of the gaming marketplace or fails to win significant mindshare of the target audience, and may be characterized by significantly poor international sales and general financial unviability of development or support.
