There were two distinct political styles in late nineteenth century America: one partisan the other voluntary. The partisan category included those men in either the Republican or Democratic Parties. The voluntarism category was made up of a variety of women's organizations, labor unions, and farmer's groups.

The Politics of African Industrial Policy. Despite rapid growth in many African countries, there has been very little economic transformation, which is the key driver behind increasing incomes and raising the standard of living. Economic transformation is the cumulative outcome of successful industrial policies.

Chapter 19 The Politics of Industrial America. Founded in Cleveland, Ohio, in 1874, it used educational, social, and political means to promote legislation. Its president (1879 - 98) was Frances Willard (1839 - 1898), an effective speaker and lobbyist. This organization was instrumental in promoting nationwide temperance and in the eventual adoption of Prohibition.

Capitalism, as I define the term, is an indirect system of governance based on a complex and continually

evolving political bargain in which private actors are empowered by a political authority to own and control the use of property for private gain subject to a set of laws and regulations.
