The Bridgend suicide incidents are a set of suicides involving young people in Bridgend County Borough in South Wales. Reports speculated that a "suicide cult" was to blame. As of December 2008, there had been twenty-six known suicides in or from Bridgend county since January 2007, though police have found no evidence to link the cases together. Of 26 people who killed themselves between ...

Violence is a significant problem in the United States. From infants to the elderly, it affects people in all stages of life. In 1992, CDC established the National Center for Injury Prevention and Control (NCIPC) as the lead federal organization for violence prevention. CDC is committed to stopping violence before it begins.

Suicide, from Latin suicidium, is "the act of taking one's own life". Attempted suicide or non-fatal suicidal behavior is self-injury with the desire to end one's life that does not result in death. Assisted suicide is when one individual helps another bring about their own death indirectly via providing either advice or the means to the end. This is in contrast to euthanasia, where another ...
