The Ojibwe language is known as Anishinaabemowin or Ojibwemowin, and is still widely spoken, although the number of fluent speakers has declined sharply. Today, most of the language's fluent speakers are elders. Since the early 21st century, there is a growing movement to revitalize the language, and restore its strength as a central part of Ojibwe culture.

The Age of Discovery, or the Age of Exploration (approximately from the beginning of the 15th century until the end of the 18th century), is an informal and loosely defined term for the period in European history in which extensive overseas exploration emerged as a powerful factor in European culture and which was the beginning of globalization. It also marks the rise of the period of ...
