In the United States, Social Security is the commonly used term for the federal Old-Age, Survivors, and Disability Insurance (OASDI) program and is administered by the Social Security Administration. The original Social Security Act was signed into law by President Franklin Roosevelt in 1935, and the current version of the Act, as amended, encompasses several social welfare and social ...

In recent years, the Business History Conference has sprouted several interest groups that have coalesced around perceived needs. The first two, "Women in Business History" and "Business Historians at Business Schools," meet informally over lunch at the annual meeting to discuss issues in the profession and to network.The "Emerging Scholars" group began informally, but its leadership now ...

History. Although there were some older writings about social psychology, such as those by Islamic philosopher Al-Farabi (Alpharabius), the discipline of social psychology, as its modern-day definition, began in the United States at the beginning of the 20th century. By that time, though, the discipline had already developed a significant foundation.
