Cattle brands still play an important role in identifying an animal's owner in Texas cattle ranching. The practice of branding is ancient. Some Egyptian tomb paintings at least 4,000 years old depict scenes of roundups and cattle branding, and biblical evidence suggests that Jacob the herdsman branded his stock.

A strong, consistent brand results in a virtuous circle of positive associations, more participation, and greater institutional success. Conversely, when any company or organization promotes itself with an array of identities â€” visual or psychological â€” it fractures and diffuses its power, confusing audiences and failing to reach its full potential.
