The first thing that you need to consider when you want to learn how to make a woman fall in love with you is that women will only fall for a man when they are convinced that he is self-confident enough to make the first move.

How to Make a Woman Fall in Love With You - Global Seducer

A woman is a female human being. The word woman is usually reserved for an adult, with girl being the usual term for a female child or adolescent. The plural women is also sometimes used for female humans, regardless of age, as in phrases such as "women's rights". Women with typical genetic development are usually capable of giving birth from puberty until menopause. There are also trans women, and intersex women.
