The Bolsheviks had their own ten commandments and, like the church, they also mocked their opponents. The totalitarianism of the church belongs to the past but if the church should ever regain its former power, its atrocities would probably be repeated.

Under the Sign of the Scorpion - Juri Lina - AntiMatrix

Women's rights around the world is an important indicator to understand global well-being. A major global women's rights treaty was ratified by the majority of the world's nations a few decades ago.
